3.- Halloween origin

Halloween is Celtic culture. It is celebrated in Ireland, The USA, Canada and The UK.

About 2000 years ago, people called Celts lived in Ireland, Scotland, Wales and the north part of France. Their new year began on November 1st, so October 31st was New Year's Eve.

The Celts believed that ghosts and witches walked the earth on October 31st. These spirits terrified the Celts, so they dressed up in costumes so the spirits wouldn't recognize them.
